MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with DDCI on OLC Matters

1. Today I met with Admiral Taylor (Colonel White was unavailable) for the weekly discussion of OLC matters.

2. I touched only very briefly on recent problems on the Hill and pending legislative matters, but reviewed in some depth the situation regarding S. 1035, Constitutional Rights of Federal Employees. Admiral Taylor read and commented on our draft letter which we hope to have Chairman Rivers, House Armed Services Committee, sign and forward to Chairman Henderson, Manpower and Civil Service Subcommittee, concerning S. 1035. We discussed whether, in this draft, we should concentrate only on an exemption for the Agency from the provisions of this legislation or should raise the possibility of exemptions for other elements of the intelligence community, including the Department of Defense. We finally agreed that the question of broader exemption might very well come up during the hearing and the Director should be prepared to respond. However, it was not thought desirable for us to take the initiative in this matter either in the Director's testimony before the Henderson Subcommittee or in the draft which we hope Chairman Rivers will sign and forward to Chairman Henderson.
